

Home/School Partnership Agreement

If the school and the home work well together, this has a great impact on the success of students. We – the School, the Family and the Student – all want the same thing: success and happiness for our young people in a safe and caring environment. We need to recognise that we must build a relationship with all the other partners, based on trust and respect.

We – the School – agree to do these things:

- We will support your child's wellbeing and safety by providing a safe, supportive and caring environment
- We will help and encourage your child to reach their full potential
- We will monitor and update on your child's progress at parent meetings
- We will communicate any concerns about your child's attendance/behaviour/wellbeing with you as their parent or carer, and respond to any concerns from your child or parents/carers
- We will provide a broad and balanced curriculum that caters for all children, including when delivered remotely
- We will promote high standards of behaviour, and outline clear expectations in our behaviour policy so we can maintain a safe environment for all children
- We will set homework that supports the delivery of the curriculum and mark it where appropriate
- We will offer opportunities for parents and carers to get involved in school life
- We will communicate between home and school through notices, newsletters, text, email and the school website
- We will respond to communications from parents in a timely manner, following school policies

We – the students – also agree to do these things:

- We will show respect and kindness to all members of the Imberhorne community
- We will wear the correct school uniform
- We will take responsibility for what we say and do
- We will work proactively to make amends if things go wrong.
- We will attend school every day
- We will bring to school all the equipment we need every day
- We will understand and follow the school rules
- We will behave well and follow the school behaviour policy
- We will all join in fully in student activities
- We will care for others and encourage their development
- We will work to make the school a place where everyone can learn
- We will aim to attend one extracurricular activity a term

We – the parents/carers – also agree to do these things:

- We will make sure my child is dressed in the correct uniform and brings the necessary equipment to school
- We will support the school to make sure my child maintains a consistently high standard of behaviour

- We will read and follow the school’s policies
- We will treat all members of the school community with care and respect
