Dear Parent(s)/Carer(s)

Instrumental and Singing Lessons at School

Peripatetic music lessons are available on a wide variety of instruments during the school day at Imberhorne. The time of most of these lessons will rotate. Some of the instrument lessons are provided by a range of providers including West Sussex Music, Open2Music and others are organised by private teachers (still through the school) who are fully qualified, experienced and have a full DBS police check, as you would expect.

Our current non-West Sussex Music tutor is:

- Electric/ Acoustic guitar or Bass Guitar Mr Stuart Bligh
- Piano Mr John Barnett

If you would like your son or daughter to have lessons in one of the instruments named above, please return the attached slip and signed 'Information and Conditions' (one copy to be retained for your information). Please mark the envelope for the attention of the respective instrumental teacher and return to reception at Lower or Upper school. Once you have applied for lessons the teacher will contact you directly regarding a start date and information on the most suitable payment method.

Our current roster of **West Sussex Music** tutors is:

- Woodwind Mr Vincent Godfrey
- Singing Ms Corina Redis
- Drums Mr Connor McCorkindale
- Brass Mr Christopher Newport

If you are interested in lessons in any of the above or anything not on this list then, please visit www.westsussexmusic.co.uk for more information and to apply online.

Open2Music offer a free 20-minute taster session for new pupils on. For more information and to sign up for a taster and/or lessons through Open2Music please visit their website <https://music-in-education.co.uk/home>.

Our current roster of **Open2Music** tutors is:

- Piano/Keyboard Mr Anthony Goode

Lessons can only be started once full payment has been received. Assistance may be available with the cost of instrumental lessons and if you wish to talk to someone about this then please contact me at williams@imberhorne.co.uk and your enquiry will be dealt with in the strictest of confidence.

Yours faithfully

Mr R Williams

Information and Conditions

Please note that minimum notice of a half term is required to terminate lessons.

All lessons are rotated throughout the term so that students do not miss the same school lesson too often.

For students learning from the start of the Autumn Term, the standard course of teaching is 30 lessons in a full school year. For students starting later in the school year, the charge will be reduced pro-rata according to the number of lessons remaining. The maximum group size is two students.

If a student misses a lesson, it is at the teacher's discretion as to whether the lesson can be made up. This may be dependent on adequate time being available in the term. Where possible please make the teacher aware of any planned absences, such as school trips and exams, at least a week beforehand. Please contact the teacher directly if a student is sick.

The cost of lessons is detailed on the reply slip and is subject to review each year.

Please note that payment is arranged directly between you and the tutor named above, not to the school. The arrangement for lessons is between the parent and the teacher and as such any correspondence should be directly between the parent and teacher where possible, not through the school.

The teacher reserves the right to discontinue the lessons, with prior consultation with parents, if they feel that the student is not progressing or has shown a significant lack of interest.

Lessons cannot commence until full payment has been received.
Any further queries or problems please contact the Leader of Learning for Music.

I have read and accept these terms and conditions.
