

# IMBERHORNE SCHOOL

## Policy Document

The Cornerstones of our  
Learning Community

Headteacher: Mr Martin Brown

Policy Name:

**Provider Access (Careers)**

Date:

**November 2018**

### Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school, for giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

### Student entitlement

All students in Years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through Personal Development lessons, options events, assemblies, group discussions and taster events
- to understand how to make applications for the full range of academic and technical courses.

### Management of provider access requests

#### Procedure

A provider wishing to request access should contact the relevant Assistant Headteacher at the school, or the Careers Leader, Mr Jim Turner by email [jturner@imberhorne.co.uk](mailto:jturner@imberhorne.co.uk)

#### Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents/carers. A list of these opportunities can be found on our school website, see table entitled "Careers Education, Information and Guidance across the School" in the careers section.
